Transcribe same day (in the truck) into domains/sales-job-appointment-log.xlsx (Appointment Log tab). Note: as of 2026-08-05 that workbook's columns don't match this format field-for-field yet — ask to have it updated to match if you want the digital and paper versions in sync.

"Follow-up needed"? Go back and update that entry's outcome once it resolves — don't leave it open.

End of day: if the pull toward a numbing agent shows up here — return to the breath before deciding whether to transcribe or not.
